MMS Honors Best in Industry

HOUSTON – More than 700 attendees joined Minerals Management Service (MMS) today in Houston to recognize companies and individuals for achievements in offshore safety and revenue management. The awards were announced at the [10th annual Industry Awards Program](#), which marked the 25th anniversary of the [Safety Award for Excellence \(SAFE\)](#).

“The companies and individuals honored today should be justifiably proud of earning these prestigious awards,” said [MMS Director Randall Luthi](#). “The awardees have been exemplary in helping MMS as we strive to balance the critical search for offshore energy with safe and environmentally responsible offshore operations. They have also played an important role in helping MMS to ensure taxpayers receive fair market value for energy resources on Federal lands.”

The [Corporate Leadership Award \(CORLA\)](#) is given to individuals who have worked closely with MMS to improve revenue collection and processes for offshore development. The Safety Award for Excellence (SAFE) recognizes outstanding safety and pollution prevention achievement by offshore oil and gas operators and contractors.

The [Minerals Revenues Stewardship Award](#) recognizes companies that demonstrate exceptional compliance with mineral revenues laws and Federal financial requirements. The [Safe Operations and Accurate Reporting \(SOAR\)](#) is presented to the industry leaders that have demonstrated the highest commitment to safety, stewardship, and resource management.

The 2008 SAFE Award winners are:

- High Activity – Chevron U.S.A. Inc
- Moderate Activity – Noble Energy, Inc.
- Drilling Contractor – Noble Drilling Corp.
- Production Contractor – C&D Production Specialist Co.

The 2008 Mineral Revenues Stewardship Award winners are:
