

The map displays the West Coast of the United States, focusing on Oregon and California. It highlights the locations of eight offshore wind projects, each labeled with a callout box containing the project name and its OCS-P number. The projects are distributed along the coast from Newport, Oregon, down to the Hawaiian Islands. A scale bar at the bottom indicates distances from 0 to 200 miles. The map also shows major cities, state boundaries, and the Hawaiian Islands with their respective call areas (KAUA, OAHU, MAUI, HAWAII). The Oahu North and South Call Areas are specifically labeled on Oahu.
