1	WELL POTENTIAL TEST REPORT (WPT)
	116. REMARKS
	CERTIFICATION: I certify that the information submitted is complete and accurate to the best of my knowledge. I understand that making a
	false statement may subject me to the criminal penalties of 18 U.S.C. 1001.
	Name and Title: Date:
	PAPERWORK REDUCTION ACT STATEMENT: The Paperwork Reduction Act of 1995 (44. U.S.C. 3501 <i>et seq.</i>) requires us to inform you that this information is collected to implement the various environmental provisions of the OCS Lands Act. We use the information to determine well, lease, and field producing capability and serves as the basis for approving maximum production rates for certain oil and gas completions. Responses are mandatory (43 U.S.C. 1334). Proprietary data are covered under 30 CFR 250.197. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB Control Number. Public reporting burden of
	lease, and field producing capability and serves as the basis for approving maximum production rates for certain oil and gas completions. Responses are mandatory (43 U.S.C. 1334). Proprietary data are covered under 30 CFR 250.197. An agency may not conduct or sponsor, and a
1	person is not required to respond to, a collection of information unless it displays a currently valid OMB Control Number. Public reporting burden of

person is not required to respond to, a confection of information unless it displays a currently valid OMB Control Number. Public reporting burden of this form is estimated to average 3 hours per response, including the time the geologists need to prepare the map, time for reviewing instructions, gathering and maintaining data, and completing and reviewing the form. Direct comments regarding the burden estimate or any other aspect of the this form to the Information Collection Clearance Officer, Bureau of Safety and Environmental Enforcement, 45600 Woodland Road, Sterling, VA 20166.
