

Date: March 12, 2015

Hello Regulatory and Standards Professionals,

We are pleased to announce that Registration is OPEN for the *2015 BSEE Domestic and International Standards Workshop*. The workshop will be held on May 8, 2015 at the University of Houston Hilton.

Registration is on a first come first serve basis and will close when we reach the capacity of the meeting space.

Location: University of Houston Hilton - 4800 Calhoun Rd, Houston TX 77004

Date: May 8, 2015 from 8:00 am to 5:00 pm

The 2015 Workshop will focus on 4 topics critical to the domestic and international regulatory community and oil and gas industry. The sessions will last all-day so please register for the session you would like to attend.

- High Pressure High Temperature
- Cementing
- Quality Management and Equipment Reliability
- Emergency Disconnects: Dynamic Positioning and the BOP response

Each session will review the current status of domestic and international regulations, concerns and needs for standards, progress of current standards development, and industry updates. A draft agenda, overview of each session, list of speakers, and additional information about food and parking at the workshop will be maintained on BSEE's website. Please note that the agenda may be subject to change.

Lunch will be available on-site for purchase and coffee will be provided at the beginning of the workshop and at breaks. Restaurants are also within walking distance of the Hilton Hotel. Self-pay parking will be at the University of Houston Welcome Center Garage.

Please follow the link provided for registration and additional information:
www.bsee.gov/StandardsWorkshop2015

We look forward to seeing you in May.

Sincerely,

The BSEE Standards Development Section

Christy Lan and Julian Pham
