

Inspection and Incidents of Non-Compliance (INC)

History for West Delta 32 Complex #20249

A total of eight platforms are located on West Delta Block 32. Platforms which are connected to one another by a bridge or other physical walk way are considered a complex.

The Nov. 16 explosion and fire took place on Platform E which is included in Complex # 20249 along with Platforms A and D-Quarters. BSEE Inspections and Incidents of Non-Compliance are recorded according to Complex ID Numbers.

Find below a listing of inspections by date and INC issued as a result of each inspection. INC are listed by type and with PINC #s. PINC #s can be cross-referenced at the BSEE web site, <http://bsee.gov/Inspection-and-Enforcement/Enforcement-Programs/Potential-Incident-of-Noncompliance---PINC.aspx>
