WELL ACTIVITY REPORT

Please provide narrative information with regards to any significant events. Provide attachments, if necessary.
CERTIFICATION. Locality that the information submitted is complete and accounts to the heat of any large darks to the control of the control
CERTIFICATION: I certify that the information submitted is complete and accurate to the best of my knowledge. I understand that
making a false statement may subject me to criminal penalties under 18 U.S.C. 1001.

PAPERWORK REDUCTION ACT OF 1995 (PRA) STATEMENT: The PRA (44 U.S.C. 3501 *et seq.*) requires us to inform you that we collect this information to obtain knowledge of equipment and procedures to be used in drilling operations. BSEE uses the information to evaluate and approve or disapprove the adequacy of the equipment and/or procedures to safely perform the proposed drilling operations. Responses are mandatory (43 U.S.C. 1334). Proprietary data are covered under 30 CFR 250.197. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB Control Number. Public reporting burden for Forms BSEE-0133 and BSEE-0133S is approximately 1 hour per form per response. This includes the time for reviewing instructions, gathering and maintaining data, and completing and reviewing the form. Direct comments regarding the burden estimate or any other aspect of this form to the Information Collection Clearance Officer, Bureau of Safety and Environmental Enforcement, 45600 Woodland Road, Sterling, VA 20166.

W. Sears, Regulatory Specialist Date: 29 September 2015
