SAFETY AWARD FOR EXCELLENCE VENTURA DISTRICT

PACIFIC OCS REGION
1340 WEST SIXTH STREET
LOS ANGELES, CA 90017

SUN EXPLORATION AND PRODUCTION COMPANY

This award is presented in recognition of professional adherence to operating rules and regulations and the conduct and maintenance of operations on Platform Henry in the Santa Barbara Channel Area of the Ventura District in a safe and pollution-free manner.

The Sun Exploration and Production Company's operations on Platform Henry which is ten years old, during the period of July 1 through December 31, 1988, were inspected by Minerals Management Service personnel as follows: one complete detail inspection and eight routine inspections. The results of each inspection indicated that the Sun Exploration and Production Company was performing in an exemplary manner and in conformance with Statutory Requirements for production operations on the Outer Continental Shelf.

The Secretary of the Interior and the Director of the Minerals Management Service commend you for your part in accelerating development of our offshore mineral resources while maintaining a constant awareness for the safety of personnel, protection of the environment, and adherence to operating regulations.

J. Lisle Reed
Regional Director
Pacific OCS Region
